5-year warranty

## SEAL Graphics Europe Warranty System for liquid lamination

### Solvent Wallpapers

#### Description

- Material replacement warranty (Media & Liquid Clear Coat only).
- Up to sixty (60) month warranty when using the approved components
- Indoor only warranty

#### Approved Components

Components	Company	Product name
Inks	Solvent, Eco-solvent, Mild-solvent & UV	
Substrates	Seal Graphics	Soft Satin Solvent Wallpaper Crushed Rock Solvent Wallpaper Raw Silk Solvent Wallpaper Venetian Plaster Solvent Wallpaper
Liquid Coaters	SEAL Graphics	AS1600, SW3300
Liquid Clear Coats	SEAL Graphics	AquaSEAL 540 Matte Liquid Laminate ( <i>full solvent only</i> ) AquaSEAL 610 Gloss Liquid Laminate (AquaGuard technology from The Valspar Corporation distributed by SEAL Graphics)

#### Warranty Coverage

- Color fade over 25% in density
- Ink peeling or cracking
- Yellowing of AquaSEAL coating
- Scratch resistance
- Damage from abrasion resulting from normal washing procedures

#### Construction

- Output must be printed on approved printers, with approved ink and media only.
- Output must be coated with the appropriate AquaSEAL Heavy duty gloss coating through an AquaSEAL liquid coater using a #32 Meyer bar to ensure a minimum dry coating film thickness of at least 25 microns. The coating must be fully cured. This is assured by the media reaching a minimum of 150° Fahrenheit (61°C) on the unprinted areas of the media.
- AquaSEAL 610 & 540 gloss coating must be tested for viscosity and the reading recorded prior to using. The reading must fall within a viscosity range of 28 (+/-10%) seconds for the AS 610 and 30 (+/- 10%) seconds for the AS 540 measured through a #2 ZAHN Cup.
- The printer, ink, media, liquid coater, and coating must all be used in accordance with all manufacturers instructions and manuals provided by the participating parties.

#### Validation

Job data for each warranted application must be recorded on the **Warranty Claim Form** provided. This information must be kept on file along with an original retains sample of the job for the full warranty term. Warranty claims notification must be made to the program's administrator (SEAL Graphics) or one of its designees in writing within 14 days of failure. Warranty claims notification should be sent to: IGPS Warranty Administration c/o SEAL Graphics Europe: P.O. Box 29, 8100 AA Raalte, The Netherlands. Telephone +31 572 346 000.
